

Little Minds

SPEECH THERAPY

Little Minds Speech Therapy LLC is a local therapist-owned pediatric private practice located in Morgantown, West Virginia. Our mission is to provide high quality child-led play-based speech, language, and reading intervention services to children from ages 0 to 18. Little Minds Speech Therapy is a small family-oriented practice that values strong relationships with our clients and their families all while having fun and making progress.

We are looking for a highly qualified full-time pediatric Speech Language Pathologist to add to our team. We are seeking someone with availability for in-person services at our office in Morgantown, WV. Teletherapy may be provided as needed and when appropriate. Applicants must be available to provide daytime and after school hours. **Clinical Fellows welcome to apply!**

Our work environment includes:

- Relaxed and fun atmosphere
- Flexible working schedule
- Opportunities to grow and specialize in areas of interest
- Access to office supplies and materials
- On-site CF supervision available
- PTO
- CEU assistance
- Compensation will vary based on benefits, experience and level of mentorship needed
- Casual work attire

Requirements:

- Master's Degree in Speech Language Pathology from an accredited program
- Current West Virginia state license (WV Provisional license for CF applicants)

Essential Skills:

- Self-starter and high level of initiative
- Reliability and flexibility
- Strong time management and organizational skills
- Strong communication and interpersonal skills
- Neurodiversity affirming
- Child led and play-based therapy approach

Job Duties and Responsibilities

- Provide high-quality and evidence-based therapy to pediatric clients
- Conduct assessments and write appropriate evaluation reports and plans of care
- Maintain documentation of reports, notes, and progress of therapy via our EMR system
- Be able to work with a mixed caseload that may include diagnoses of developmental delays, language disorders, articulation disorders/phonological disorders, and neurodevelopmental disorders
- Communicate openly and honestly with clients and family members

If you are interested and meet the requirements, please email your resume to stephanie@littlemindsspeechtherapy.com
